Mission Statement

Auburn Adventist Academy provides a Seventh-Day Adventist education that challenges our students to transform their community as disciples of Jesus.

Enhancing relationships while serving others, empowering them to be successful in college, work, and life, and experiencing a genuine friendship with Jesus Christ.

Vision Statement

A place to reason together, grow in Christ together, and become thinkers and not mere reflectors of others thoughts.

School Song

Hillside and valley, mountains of snow,
Sun on the meadow gleaming far below;
Nestled mid fir trees, our school so dear;
Planted by Heaven, blest every year.

Auburn! We love thee for thy tender memories;
Auburn! We send thee greetings floating on the breeze;
Always we'll cherish all the ideals taught by thee;
Training for service at Auburn Academy!

Principal's Message

As I write these lines, the year is already well underway and we have already been blessed by this community that we call Auburn Adventist Academy.

What makes Auburn so blessed? That would be you, the students. You have incredible passion, amazing ideas, a spirit of learning that no one can take away from you, and best of all, a kind heart for each other.

I would like to say, "Be bold enough to use your voice, be brave enough to listen to your heart, and strong enough to live the life you have always imagined."

It takes courage to grow up and become who you truly are, and you need to know that you are chosen by God to be His, and you are worth all the love He has created.

Thank you for the honor of being your principal.

Advice for the Class of 2018

The Senior Class of 2017 has a few wise words to share with next year's graduating class.

"Be aware of what you say and do because there's always someone who looks up to you."

-Mariah Johnson

"Don't get caught up in drama and enjoy high school while it lasts. It goes by way faster than you think. Surround yourself with friends and don't lose friends due to a significant other. Have a healthy balance of being social, doing homework, and spending time with God."

-Jarod Heathcock

"No matter what happens, be the person you want to be and don't let yourself get bogged down by the inevitable drama that will come your way."

-Christopher Ziegele

"Await your mistakes, accept your flaws, become infatuated with the uncertainties, and embrace your sufferings, because you will look so much more beautiful in the end."

-Jensen Krall

"Remember to stop and breathe. Senior year becomes increasingly more hectic as the days roll by, but you need to remember to live in the moment and enjoy yourself. Don't stress too much, it distracts you from all the good things happening around you. (Trust me, I would know.) Take tons of photos, learn to laugh at yourself, and don't forget to put your phone down occasionally and go out there and make memories."

Nadia Marie Diaz

Dearest Nadia,

Time has gone by so quickly, it seems like yesterday you were starting preschool.

There have been some challenges along the way, but you have faced them and got on with life.

You always had such a big heart and big dreams.

We hope those traits will stay with you always as you start your next life chapter.

Remember, "You can be anything you want to be."

With love, hugs, and praises of pride,

Thank you for your contribution to the
Auburn Adventist Academy 2016-2017
Yearbook.

Dedication: Mr. William Ludwig

"Watch it happen."

Mr. Ludwig is an Auburn Adventist Academy icon. Everybody knows about Mr. Ludwig and his catchphrase, "Watch it happen", as well as his famous "Take math your senior year" speech. Mr. Ludwig is also known for his amazing storytelling skills. And of course, he has always been an amazing teacher. Whenever students have questions, he takes the time to explain it to them either in class or on his own time. For those of you that did not have the privilege of personally getting to know him while he was here, here is a small sample of a Q&A with Mr. Ludwig that was done recently:

Q: What is your favorite color?

A: Algebra.

Q: If you could have one world record, what would it be?

A: The most cell phones taken away in class. 300 phones in one day!

Q: What is your favorite animal?

A: Algebra.

Mr. Ludwig, thank you for your nine years of service here at Auburn Adventist Academy, and it is the honor of the Auburn Adventist Academy Yearbook Staff to dedicating the 2016-2017 yearbook to you.
